

Do Kentuckians want a hand
picked, hand controlled
Governor?

It is common knowledge that the Republican Party in Kentucky is a "one man" party—solely in the control of A. T. HERT. It was shown at Lexington where the rank and file of the party were disfranchised of their primary rights and forced to accept a slate already prepared for them.

Witness the high handed methods of Searcy, HERT's man "Friday", in his treatment of George W. Jolly of Owensboro who was clearly within his rights in seeking preference at the primary. Witness also the disgraceful primary election in the negro ward in Louisville where the Republicans did not dare let the negroes vote as they wished.

Put Morrow in the Governor's chair at Frankfort and Kentucky will be governed from Louisville. It will be dominated by this one man whose interest is selfish and whose purpose is clearly to use Kentucky merely as a stepping stone to influence and authority in National politics. HERT will push the button! Searcy will pull the string! And Morrow will do the jumping!

BAPTISTS PLAN RECONSTRUCTION PROGRAM

BODY CHARGED WITH DUTY OF OUTLINING HOW 75 MILLION CAMPAIGN CAN PROMOTE THAT TASK REACHES FIELD—DR. LOVE OUTLINES THE NEED AND ISSUES CALL

To make a general survey of the economic, social and religious conditions in Europe with a view to recommending to the Baptists of the South where and how they can aid most effectively in the reconstruction of that continent through the Baptist 75 Million Campaign, a commission, composed of Dr. J. F. Love, secretary of the Foreign Mission Board at Richmond, Va.; Dr. Z. T. Cody, editor Baptist Courier, Greenville, S. C.; and Rev. Everett Gill, missionary at Rome, Italy, who is returning after a leave of absence in this country, and who will serve as guide and interpreter to the other members, is now in England for a conference with the Baptists of Great Britain and will go from there for an inspection of France and Belgium.

Another brief conference will be held with the Baptists of Switzerland, after which a trip will be made through Italy and a survey of the new republic of Czechoslovakia conducted. From Prague, capital of Bohemia, the commission will go into such parts of Russia as are open, and the foreign trip will be concluded with an inspection of Palestine, where the missionary work formerly done in Syria, Persia and Galilee by the Illinois Baptist Association has been turned over to the Foreign Mission Board.

There are approximately 4,250 Baptist churches in Europe today, with 2,000 pastors and missionaries and 566,800 church members. It is announced by the headquarters of the Baptist 75 Million Campaign, and a considerable sum from this campaign will go toward supporting needy families of Baptists and others in the war-torn regions as was as in the propagation of the gospel and the establishment of Christian institutions there. It is announced before sailing on the Adriatic on his

European mission, Dr. Love made the following statement outlining the purpose of the commission:

"When the call came to help save, promote and secure democracy in Europe there came a louder call to help save, promote and secure evangelical Christianity in Europe. That which alone will now preserve and perfect the democracy for which brave men have died on the battlefield of Europe is the Christianity of the New Testament. Southern Baptists can no longer profess New Testament Christianity and decline a challenge like that which is now presented to them to bear witness to their faith among the peoples of Europe. Our people never before faced such a challenge and such a responsibility.

Of course we can not go to the men and women of Europe who have been stripped of earthly fortune and reduced to direst necessity with a message of Christian love and brotherhood if we decline in our abundance to carry some substantial pledge of our love and compassion. Mothers will not be able to starve the crying of their little ones to hear us preach if we decline to practice the gospel of compassion and feed those little ones and build fires at which they can during the coming winter warm their frost-bitten toes. Southern Baptists are under the most solemn obligation to help relieve the want and suffering of Europe. But if there were no reconstruction work in Europe, Southern Baptists have motives numerous enough and strong enough to compel them to make a complete success of the Baptist 75 Million Campaign. I would therefore as my parting word to my brothers and sisters of the South, implore them to give themselves to this campaign and carry it to a triumphant conclusion during Victory Week, November 26-December 1."

See the big Nobbs

The 'Nobby' is a big rough husky fellow. The tire they are all talking about.

A great road gripper—a sure enough non-skidder and non-slipper.

Makes easier riding and easier driving. More safety, more comfort—more mileage.

'Nobby' is a United States Tire, —which means none better. Just right for our roads.
